FLETORE PUNE

Gjithçka rreth meje...

Ky libër pune është realizuar në kuadrin e projektit “Qendrat e fëmijërisë së hershme, si hapësira kreative dhe të sigurta”, financuar nga USAID-i, i zbatuar nga YWCA of Albania, me mbështetjen e UNICEF-it.

Projekti ka konsistuar në krijimin e qendrave ditore, të frekuentuara nga fëmijët e komunitetit afgan të moshës 3-7 vjeç, që shërbejnë si hapësira të sigurta dhe edukuese për ta.

Titujt e fletëve të punës janë të lidhura me tema nga jeta e përditshme e fëmijëve, me ngjarje dhe veprimtari të ndryshme që ata përjetojnë në kopsht dhe në familje, me tema që zbulojnë botën e brendshme, ndjenjat dhe emocionet e tyre, tema që nxisin të menduarit, aftësitë krijuese dhe fantazinë e fëmijëve në përputhje me zhvillimin moshor, tema që sjellin në vëmendje të fëmijëve ndjeshmërinë dhe kujdesin për mjedisin, kafshët, marrëdhëniet dhe miqësitë. Fletët e punës nuk kanë radhë të përcaktuar të shpërndarjes dhe punimit nga fëmijët. Ato plotësohen sipas dëshirës ose temave ditore. Pas përfundimit, punimet ekspozohen dhe komentohen nga fëmijët.
